

Conservation Through the Lives of
Adirondack Loons

Join us for an
enchancing evening
presentation about our
very own IRLC mascot,
the Common Loon!

Topics will relate to loon
natural history, conservation
concerns, and a summary of
Adirondack Loon research
and outreach projects.

What better way to celebrate
IRLC's 20th anniversary, than
to listen to Dr. Nina Schoch
from the Adirondack Center
for Loon Conservation and
Scott Sutcliffe from the Cornell
Lab of Ornithology discuss
this fascinating Indian River
Lakes resident?

Date: Thursday, July 26, 2018
Time: 6:30 p.m. - 8:30 p.m.
Location: Redwood Hill Preserve
Trailside Learning Center

43982 Stine Rd
Redwood, NY 13679

PO Box 27 43892 Stine Rd Redwood, NY 13679
